Education

Vellore Institute of Technology

Bhopal, MP

Bachelor of Technology in Computer Science and Engineering | 8.72/10 CGPA

August 2026

Relevant Coursework: Programming in Java, Object-Oriented Programming, Data Structures and Algorithms, Operating Systems, Database Management Systems, Computer Networks.

Subhash Public School

Giridih, JH

Higher Secondary Education | 90%

March 2021

Skills

Languages & Frameworks: Java, Python, Node.js, React, Langchain, SQL.

Tools: Git, AWS, Docker, Postman, MongoDB.

Projects

GPA Horizon - Intelligent CGPA forecasting tool [[Github](#)]

Fullstack - GenAI

August, 2025

- Created an interactive web application to simplify CGPA forecasting for students, using 3 endpoint FastAPI backend.
- Orchestrated automated transcript parsing via a Gemini and LangChain pipeline, enabling structured data extraction from any university's PDF.
- Streamlined academic planning and decision-making by providing real-time "what-if" analysis and instant CGPA recalculation.

APIVerse - Intelligent API discovery platform [[Live](#)]

Fullstack - GenAI

June, 2025

- Deployed an interactive platform to simplify API exploration for developers, using React and FastAPI.
- Powered semantic search across 1,500+ APIs with MongoDB Vector Search, enabling intent-aware matching.
- Automated real-time API health checks and code generation with Gemini API, accelerating onboarding.

CocoCode - Online coding platform [[Github](#)]

FullStack

March, 2025

- Developed a full-stack coding platform with 10+ features, including authentication, problem submissions, and email notifications for verification, password recovery, and updates.
- Designed an analytics dashboard with 365 days user activity tracking and difficulty stats using tailwind.
- Integrated Judge0 API for real-time, multi-language code evaluation.

Extracurricular

- Industry Conclave Hackathon: Devised a real-world campus solution, ranked in the Top 5 out of 100 teams.
- AI Conclave: Secured 2nd place out of 20 teams in the College Group Debate Competition.
- Won Foragers 2.0 (Treasure Hunt): Led a team to victory out of 50.
- Coordinated rehearsals and managed a group dance performance of 20 participants at the college fest. It captivated an audience of 1000+ attendees, receiving outstanding feedback.

Additional

- Certifications: AWS Academy- Cloud Foundations, C-DAC Artificial Intelligence and Data Science.
- Languages: English, Hindi.
